## Summary

I am a dedicated BCA student with a strong passion for software development and a focus on becoming a Full Stack Developer. With hands-on experience in C and Java, I have developed a solid foundation in coding and enjoy tackling real-world problems through logical thinking and problem-solving. My core strengths include writing clean, efficient code, quickly adapting to new technologies, and working collaboratively in a team environment. I am particularly drawn to both frontend and backend development, and I am continuously learning to bridge the gap between design and functionality. I'm known for being a quick learner, detail-oriented, and always open to feedback and growth. My goal is to contribute meaningfully to projects while developing the technical and soft skills required to thrive in the tech industry. Currently, I'm building my skills through academic projects and self-study, and I look forward to opportunities that allow me to apply my programming skills, grow as a developer, and make a real impact in the field.

## Key Achievements

### Improved Code Efficiency

Increased code efficiency by 30% in academic projects.

### Real-World Projects Experience

Completed 2 real-world coding projects during BCA.

### High Grade Achievement

Achieved 9.22 CGPA in 1st year of BCA.

## Education

Ajeenkyा D Y Patil University

01/2024 - 12/2027

Pursuing Bachelor of Computer Application, Full Stack Developing

Ramchandra Patil Auti JR. College

08/2022 - 04/2024

11th ,12th in Science Stream

## Skills

Your Skill • Java • Javascript • HTML • CSS • MySQL • MongoDB • React JS • C

## Training / Courses

Course Title

Full Stack Development

## Languages

English Intermediate ••○○○

Hindi Proficient ••••○

Marathi Native •••••

## Projects

Jobify

jobify-mern-projectns.vercel.app

11/2025

Its a Full Stack project in which Employee can post job and employers can apply for jobs

- Gained real world development experince.

WasteWise India

Pune, India

2024

Its a Frontend project for waste management system.

- Learned about how the HTML, CSS, JS, React JS works together .
